I had a dream last night
I thought my good man had gone
When I woke up this morning
He really had done me wrong
I know it's not fair
But my good man has done caught air

***I'm going away leaving today
I'm gonna bring my baby back
If that eight-wheel driver
Don't jump the railroad track
I'll take him from that girl
Gonna bring him home if I can***

My man's been triflin' round
Just about a week I know
Several of my friends
They just told me so and so
He's found a new gal
Now I can understand

***I'm going away leaving today
I'm gonna bring my baby back
If that eight-wheel driver
Don't jump the railroad track
I'll take him from that girl
Gonna bring him home if I can***

Well It's true my baby's gone
I know it won't be long
We'll both be on that train
My baby's comin' home again
He's been travelin' round
But now he's turned her down
