Malted milk, malted milk, Keep rushing to my head. Malted milk, malted milk, Keep rushing to my head. And I have a funny, funny feeling And I'm talking all out my head.	
Baby, fix me one more drink And hug your daddy one more time. Baby, fix me one more drink And hug your daddy one more time. Keep on stirring my malted milk, mama, Until I change my mind.	
My doorknob keeps on turning, There must be spooks around my bed. My doorknob keeps on turning, There must be spooks around my bed. And I have a funny, funny feeling And the hair's rising on my head.
